

## What is AXA PPP healthcare Sports Physiotherapy Plan?

AXA PPP healthcare Sports Physiotherapy Plan provides pupils of independent schools with cover all year round for physiotherapy treatment needed as a result of a sporting injury occurring while the insured child is participating in any sporting activity. This can be both in and out of term time.

The following is a summary of the benefits of AXA PPP healthcare Sports Physiotherapy Plan.

Benefits	AXA PPP healthcare Sports Physiotherapy Plan
Physiotherapy treatment required as a result of a sporting injury sustained whilst playing sport in the United Kingdom	75% of treatment costs incurred up to a maximum of £225 per policy year

## What are the main exclusions and limitations of AXA PPP healthcare Sports Physiotherapy Plan?

As with all insurance policies general exclusions and limitations apply. The following is a summary of the main exclusions and limitations of the policy:

Exclusions
Claims cannot be made which arise as a direct or indirect result or consequence of participating in any professional sport.
Physiotherapy treatment received outside of the UK.
We will only pay for physiotherapy for a medical condition and will not pay benefit for diagnostic tests or consultations.
If you pay your premium directly to Denplan the insured child can only be covered under the Terms & Conditions of the policy from the commencement date if you are resident in the UK, Isle of Man or the Channel Islands.

Please ensure you have read the full terms and conditions which can be found in the policy handbook.
