

# About Denplan

Denplan has played a significant part in the dental industry for over 25 years and the dental plans we arrange have helped us to become an award-winning brand.

## An employee benefit that works around you

We all know that our dental health is important. Everyone has different budgetary and dental healthcare needs; we use our knowledge and experience to offer a wide range of dental plans so that you can keep employees dentally and financially fit.

## Employer benefits

- UK network of dentists – sourcing dental treatments close to an employee's place of work helping reduce extended absenteeism
- A benefit that can be used regularly by employees of all ages, helping with recruitment and retention
- Complementary benefits which help employers promote a health and wellbeing message

## Employee benefits

- Denplan Discount Network – giving employees access to discounted dental treatment
- Online claims making reimbursement of dental costs quick and simple
- A tangible benefit which helps spread the cost of regular check ups and cover towards more expensive restorative treatment

## We're here to help you
