

# What to do in a dental emergency

I'm home

Call the Denplan practice you're registered with. If they are closed and unable to see you, they should have an answer phone message with a number for you to ring in an emergency.

If you are unable to get hold of anyone from your dental practice, ring Denplan's Emergency Helpline on **0800 844 999**.

Our advisors can offer practical help and advice in a dental emergency, wherever you are, at any time.

For general enquiries please contact our Customer Advisor team on 0800 401 402 (8.30 - 5.30 Monday - Thursday and 8.30 - 4.30 Friday)
