Denplan will be 'all smiles' at The Big Sleep Out:

Denplan are the first corporate team to sign up to take part in The Big Sleep Out at Winchester Cathedral on Friday 20th September, where they will be helping to raise money for two of Winchester's leading homelessness charities, Trinity Winchester and Winchester Churches Nightshelter.

12 members of the Corporate Team at Denplan will be digging out their sleeping bags and thermals and raising money by spending a night under the stars at Winchester Cathedral.

Jessica Wheale, Fundraising Manager at Trinity and organiser of the event, said 'We are delighted to have a team from Denplan taking part in the event. It really shows just how committed they are to making a difference to disadvantaged people in the community where they work. We hope that other local companies will follow their example and enter a team.'

Rosie Howell, Corporate Team Coach at Denplan, said 'We're all very excited about taking part in such a great event and having the opportunity to sleep at Winchester Cathedral and raise money for an important cause. We just hope there are no snorers amongst us!'

The Big Sleep Out is still looking for more individuals, groups and corporate teams to take part and reach the target of 500 sleepers. If you would like to sleep out under the stars for the night helping to raise money for homeless and vulnerably housed people in Winchester then go to www.sleepoutwinchester.co.uk for further information and to register.
