

MCAM 2021

Multidisciplinary Webinar Schedule

In partnership with the Oral Health Foundation, Denplan are proud to sponsor Mouth Cancer Action Month. The brand-new programme for 2021 with Dental Update and Oral-B features a month of multidisciplinary webinars, with a range of new and familiar presenters. The webinars are free-to-attend and you can earn verifiable CPD.

MCAM 2021

Webinar Speakers

Louise Mackenzie

Louis Mackenzie is the Head Dental Officer at Denplan. He has been a GDP for 30 years and is a clinical lecturer at the University of Birmingham School of dentistry and King's college London. He delivers postgraduate lectures nationally and internationally on direct and indirect restorative techniques, minimally invasive dentistry and clinical photography and runs a series of popular hands-on courses. He is also a member of Dental Update's editorial board.

Andy Thomas

Andy Thomas is a Speciality Registrar in Oral and Maxillofacial Surgery at Southampton General and the Royal Hampshire County Hospitals. He qualified from Birmingham University 30 years ago and after completing Vocational Training he became a GDP and remained so for 25 years. He lectures to the medical students at Southampton University and is an educational supervisor to DCTs in the maxillofacial department. He still maintains a list of general dental patients whilst working one session a week in practice.

MCAM 2021

Webinar Speakers

Graham Stokes

Graham Stokes is the Clinical lead at LHDP Smilecare Implant and Referral centre in Bromsgrove. He is passionate about dentistry and education. He is heavily involved in postgraduate dental education nationally and internationally and has sat on the British Dental Association's Principal Executive Committee and is a member of the English and UK BDA Councils. He is a Non Executive Director of Medical Protection Society and a member of the Board of Dental Protection. He is also a special adviser and clinical lead for the dental charity Bridge2aid.

Jo Banks

Jo has been working with dental practices for the last 25 years supporting them in their business goals through training and consultancy. Now as the Client Training Manager, Jo looks after a team of trainers and inputs into the development strategy of Denplan. With a wide range of experience working with dentists, managers and their teams she brings her experience and qualifications to help practice's realise their business goals and reach their full potential. As a manager of a diverse team, she recognises the importance of continuous development and the many challenges management can bring.

Ian Dunn

Ian qualified from Leeds in 1998 and went into general practice in the North West. In 2010 he completed his MSc in Periodontology and in 2013 he was admitted to the GDC Specialist List in Periodontics. Ian spends three days a week in private practice in the North West of England where he takes referrals for all aspects of Periodontology. He is the British Society of Periodontology regional representative for Merseyside and Cheshire, and serves on their Council as Honorary Treasurer. In 2014 he was also elected to the BSP Faculty. He is also a member of Dental Update's editorial board.

MCAM 2021

Webinar Speakers

Sunil Hirani

Sunil graduated from Guy's Hospital, London, in 1996. He has a Master's degree in Orthodontics and is a Fellow of Dental Surgery of the Royal College of Surgeons and holds a Membership in Orthodontics from the Royal College of Surgeons of England. In 2005, he passed his exit fellowship in Dental Surgery (Orth) which is the highest marker of orthodontic training in the UK. He has published articles in leading journals such as the Journal of Orthodontics, Journal of Clinical Orthodontics, European Journal of Orthodontics and Orthodontic Update.

Sue Boynton

Sue has over 20 years' experience in primary care dentistry, is recognised for assisting numerous dental professionals and works as an Independent Dentolegal Consultant. Sue has a Master's Degree in Medical Law, and is a Fellow of the Faculty of General Dental Practice, a Fellow of the Faculty of Forensic and Legal Medicine, and an NLP Master. She shares her knowledge and expertise on dentolegal issues in the UK and internationally and is a hugely popular speaker who is passionate about risk management and assisting dental teams.

Mike Lewis

Mike Lewis is Emeritus Professor at Cardiff University. He has held a number of senior professional positions including Professor of Oral Medicine, President of the British Society for Oral Medicine, President of the British Society for Oral & Dental Research, Dean of the Dental Faculty of the Royal College of Physicians & Surgeons of Glasgow and Dean of the School Dentistry, Cardiff University. Mike is the co-author of the best-selling textbooks, A Handbook of Oral Medicine and the BDJ Clinical Guide Oral Medicine in Primary Dental Care.

MCAM 2021

Webinar Speakers

Andrew Chandrapal

Andrew Practices in Central London and Buckinghamshire. His special interests lie in complex rehabilitation and wear management. He has obtained a Distinction in prosthodontics (MClinDent) and also a Kois Centre Graduate. He is the past President for the British Academy of Cosmetic Dentistry, Post Graduate Tutor for Kings College London and is a Dental Update Board Member. Andrew is also key opinion leader to the industry and lecturer in many countries in Direct Composites, Management of Toothwear and Clinical photography and Directs IndigoDent Education.

Charlie Nicholas

Charlie is the CEO of the UK endodontic manufacturer, Endoperfection, and the designer of the VaryFlex rotary file systems. He has been qualified for 25 years and limited his practice to endodontics for the last 20 of these. Charlie has lectured both in the UK and internationally and runs a popular series of relaxed and informative hands-on training courses.

Jo Russell

Jo has over 30 years' experience in dentistry and has acquired considerable expertise in all areas of the business. She is also qualified in Health and Safety and teaches a broad range of subjects such as management, infection control, safeguarding, legal and ethical issues and other core subjects. Jo was in the Royal Navy Dental branch for 7 years and was then appointed Area Manager for a Dental Corporate looking after 16 practices in London and the South. She is currently a CQC Registered Manager for 2 private practices, runs her own consulting business and lectures both nationally and internationally.

MCAM 2021

Webinar Speakers

Avijit Banerjee

Avijit is Professor of Cariology & Operative Dentistry / Hon. Consultant & Clinical Lead, Restorative Dentistry at the Faculty of Dentistry, Oral & Craniofacial Sciences, King's College London/ Guy's & St. Thomas' Hospitals Foundation Trust. He leads the Cariology & Operative Dentistry research programme at the QS-ranked world's top 5 Faculty of Dentistry (as part of the Centre of Oral & Clinical Translational Science). He is editor-in-chief of Oral Health & Preventive Dentistry (Quintessence Ltd) and an editorial board member of Dental Update, British Dental Journal, International Journal of Adhesion & Adhesives and the Primary Dental Journal.

Raman Bedi

Professor Bedi is an Emeritus Professor at King's College London and was Chief Dental Officer – England from 2002 to 2005. He is Chairman of the Global Child Dental Fund. In 2005 he was asked to establish the Global Child Dental Health Taskforce.

The mission of the taskforce was to support governments on how they can improve children's oral health. He was past President of the British Society for Disability and Oral Health, President of the Education Research Group of the International Association for Dental Research (IADR) from 2002 to 2004 and chair of the IADR Regional Development Programme Committee from 2002 to 2004.

MCAM 2021

Webinar Speakers

Trevor Burke

Trevor Burke graduated at Queens University Belfast, and, following appointments in Belfast and Manchester, he worked in general dental practice from 1975 to 1996 in Manchester. His first Chair was in Glasgow in 1996, moving to become Professor of Primary Dental Care at the University of Birmingham and Hon. Consultant in Restorative Dentistry in 2000, becoming part-time in 2014, before retiring in October 2020. As well as research, writing and medicolegal work, Trevor's main responsibility is as Editorial Director of the journal Dental Update.

Matt Idle

Matthew Idle is a Consultant Oral and Maxillofacial/Head and Neck Surgeon at University Hospitals, Birmingham. His interests include head and neck cancer ablative and microvascular reconstructive surgery, salivary gland surgery and transoral robotic surgery. Prior to his appointment he completed a 2-year advanced fellowship in Head and Neck Oncology in Minneapolis, USA. He is currently a core member of the Head and Neck Multidisciplinary Team and the Deputy Clinical Service Lead for Oral and Maxillofacial Surgery.

Amit Patel

Amit is the principal specialist and director at Birmingham Dental Specialists. His special interests are dental implants, regenerative and aesthetic Periodontics. Amit graduated from the University of Liverpool and completed a 4 year specialist training programme in Periodontics at Guy's, King's & St Thomas' Dental Institute. Amit was an Associate Specialist in Periodontics at the Birmingham Dental School for 9 years and is still an Honorary Clinical Lecturer at the University of Birmingham School of Dentistry.
