

# Denplan Essentials

A dental maintenance plan

2023

Proud to be a  
Certified

Corporation

## How it works

Denplan Essentials will be tailored to fit your needs:

- Your dentist will decide the number of check-ups, hygiene appointments and dental x-rays you're likely to need on an annual basis. Treatment is always at the discretion of the practice team
- Your practice team will then let you know your monthly fee to spread the cost of your ongoing routine care
- Your payment is collected by us monthly by Direct Debit. A one-off registration fee of £15 per person may apply upon joining
- You may save up to 15% with Family Group Discounts if one Direct Debit covers more than one Denplan patient registered at the same practice and if offered by your dentist

## It's a great feeling when everything's sorted

Denplan Essentials can help you keep your teeth and gums healthy. Hygiene treatment (scale and polish) is included, so you can be confident about your smile when socialising with family, friends and work colleagues. And if you want to go further, the plan includes dental advice from your dentist about additional treatment options which could enhance your smile.

## Denplan Essentials gives you
