

A group of young people are celebrating outdoors. A man in a yellow shirt is in the center, holding a champagne glass and looking up with a smile. To his left, a woman is laughing with her mouth open. To his right, another woman is also laughing. Confetti is falling all around them. A hand in the top right corner is holding a lit sparkler. The background is bright and slightly blurred, suggesting an outdoor setting.

How it works

Denplan Essentials will be tailored to fit your needs:

- Your dentist will decide the number of check-ups, hygiene appointments and dental x-rays you're likely to need on an annual basis. Treatment is always at the discretion of the dentist
- Your dentist will then let you know your monthly fee to spread the cost of your ongoing routine care
- Your payment is collected by us monthly by Direct Debit. A one-off registration fee of £15 is payable when you join
- You may save up to 15% with Family Group Discounts if one Direct Debit covers more than one Denplan patient registered at the same practice and if offered by your dentist

It's a great feeling when everything's sorted
