4. Claims general

A. Making **your** claim

- Your** claim must be notified to **us** either by using **our** online claim system or by posting a fully completed claim form. **We** will not accept claim forms notified to **us** by any other means and **we** cannot accept receipts that are not accompanied by a valid claim.
 - All claims should be made to **us** within 60 days of the treatment taking place if reasonably possible. The longer the time between the date of treatment and submitting **your** claim the more difficult it may be for **us** to validate it.
 - Your** claim must be supported by proof that **you** have had the treatment – this should be in the form of a fully itemised receipt or statement of account from **your dentist**, detailing each treatment being claimed and the cost paid for that treatment
 - If **we** are not able to validate **your** claim for any reason, for example **your** health professional no longer has access to **your** records, **we** may not be able to pay **your** claim.
 - All claims will be assessed against the benefits in force on the date that **you** had **your** treatment
- B. If claims are received without all of the required information **we** will notify **you** and ask **you** to resubmit the claim once all information has been obtained.
- C. In all cases **we** reserve the right to recover any costs incurred as the result of a third party's involvement. In addition, if **you** have another dental insurance policy **we** reserve the right to only pay an appropriate apportionment of the claim.
- D. Claims will be paid into the **UK** bank account **you** specify when **you** make **your** claim. If no bank details are provided or **we** are unable to verify that the bank details supplied are valid, **we** will post cheque payment to the policyholder at the **UK** address **we** have associated with the policy. Once **we** have made payment to a bank account, **we** will be

unable to reissue a payment due to an error on **your** part.

- E. If **you** are claiming for treatment that has taken place outside of the **UK**
- i. Please where possible supply a copy of **your** receipt in English or an English translation.
 - ii. **We** will only make payments to a **UK** bank account or post cheques to a **UK** address.
 - iii. All foreign currency claims will be converted to pounds Sterling using the currency converter at www.oanda.com based on the exchange rate in force on the date that the treatment took place – no payment will be made for credit card fees, interest or commission fees incurred.
- F. There may be instances where **we** are uncertain about whether or not a claim is covered by the policy. If this is the case, **we** may ask a **dentist** (or other medical specialist) to advise **us** about the medical facts relating to a claim, or to examine **you** in connection with the claim. If **we** do this, **we** will pay the costs involved. In choosing a relevant **dentist** or specialist **we** will take into account **your** personal circumstances. If **you** do not co-operate with any **dentist** or specialist chosen by **us**, **we** will not pay **your** claim.
- G. If **we** pay any costs for dental treatment which are not covered by the terms of this policy, the amount paid will count towards the annual maximum benefit available under the policy for that person. It does not mean that **we** will be liable to pay costs for that dental treatment in the future. If **we** pay a claim that is more than **you** are entitled to under the policy, **we** can recover the overpayment. **We** will ask **you** to repay the overpayment or deduct that amount from any other claim **you** make.
- H. If **you** are claiming for multiple treatments on one claim and do not provide **us** with an itemised statement or confirmation of the individual costs of each treatment, **we** will conduct **our** own internal breakdown to assess **your** claim. This breakdown will be based on **our** knowledge and experience of the cost of dental treatments.
- I. If **you** believe that **we** have incorrectly assessed **your** claim, please contact **us** at corporate@Denplan.co.uk or on 01962 828 007. If **we** have made an error

we will send **your** claim for reassessment. If however, **we** did not have the full and correct information about **your** claim **you** will need to provide **us** with this before **we** can send **your** claim for reassessment.

5. Eligibility

You can only be covered under the terms and conditions of this policy, from the date **your** cover starts if:

- D. if **your** employers group policy is cancelled; or
- E. **you** no longer live in the **UK**

6. Cancellation

The Financial Conduct Authority rules allow certain policyholders to cancel their policy and to have their premium returned. This will only apply to **you** if **you** are an unincorporated business (a sole trader or a partnership which is not a limited liability partnership) and **you** are purchasing cover for yourself as well as **your** employees.

If this applied to **you**, **you** have 14 days from receiving **your** welcome or renewal letter to change **your** mind and cancel **your** policy. If **you** cancel within this period, **we** will return any premium paid for the policy as long as no claims have been made on the policy in relation to the period before cancellation.

If **you** are not an unincorporated business purchasing cover for yourself and **your** employees, **we** can only accept cancellation requests from **your** company administrator.

- C. The law of England and Wales will apply to this policy.
- D. All information and communications to **you** relating to this policy will be in English.
- E. **You** must provide an up to date mailing address.

If **we** have already paid benefit **we** can recover that money from **you**. Where **we** have paid a claim which **we** later find is fraudulent (whether in whole or in part) **we** will be able to recover those sums from **you** and/or take the appropriate legal action against **you**.
