We are always looking for new and exciting events for our dentists and practice teams to enjoy. Following the extremely successful Ski Conference and the launch of Golf Conference last year, we are looking for our next adventure.

## How would you like to join us on your bike in Majorca in April?

We are contemplating our first cycle conference in the beautiful sunny Majorca. The conference will include cycle routes during the day, lectures from great speakers and amazing hospitality in the evening!

This conference will be open for both keen cyclists, and the more relaxed rider, with two different routes planned for each day, so you can pick the one best suited to your ability.

If you would like to bring a partner who would prefer not to cycle, the hotel will offer a wide range of facilities for them to enjoy during the day, before joining everyone in the evening.
